Week 3 - Sports Jam

On your marks, get set, GO!!! Play a variety of sports including soccer, volleyball, football and badminton while developing basic movements to improve sports skills. Campers will create sports-related art and learn about athletics from around the world. This week is about sportsmanship and being active!

Week 4 - The Great Cookie Bake-Off!

Do you have a passion for baking cookies or do you just enjoy eating them? Spend a week exploring a range of decorating tools, taste-testing frosting flavours and then creating the most unusual cookie in town! Who will sell the most cookies at the cookie sale? If you don't eat them all first of course.

Week 5 - Secret Spy School

Weave through a laser maze and crack the code to complete your top-secret mission! Create your very own spy kit, complete with and a secret storage box to hide all your supplies. The mission is yours if you choose to accept it.

Week 6 - S.T.E.A.M.

This week is all about S.T.E.A.M. - science, technology, engineering, art and mathematics! Become an effective problem solver with hands-on interactive daily challenges. Build the strongest bridge, fire a catapult the furthest and make a parachute fly high into the sky! Are you up for the challenge?

Week 7 - Mardi Gras

Join us for a colourful Mardi Gras celebration! Imagine a week filled with masks, costumes, exciting games, traditional dancing and jester fun! It wouldn't be a Mardi Gras celebration without pancakes and a king cake – so be prepared to cook! This is a week you don't want to miss!

Week 8 - Cruise Ship

Spend a week enjoying the luxuries of a cruise ship! Set up a spa for manicures and pedicures, play bingo at the camper-casino or create your own trading post gift store! At the end of the week, attend the Captain's Hawaiian themed ball and enjoy a banquet with games, a photo booth and music!

Week 9 - Camper's Pick
